Amendment No. 1

AMEND House Bill No. 843 by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Section 49-6-3803, is amended by deleting the section and substituting:

(a) Materials in a library collection must be suitable for the age and maturity levels of the students who may access the materials and must be suitable for, and consistent with, the educational mission of the school.

(b) For purposes of this section, a material that:

(1) In whole or in part contains nudity, or descriptions or depictions of sexual excitement, sexual conduct, excess violence, or sadomasochistic abuse, as those terms are defined in § 39-17-901, is not appropriate for the age or maturity level of a student in any of the grades kindergarten through twelve (K-12) and must not be maintained in a school's library collection; or

(2) Is patently offensive, as defined in § 39-17-901, or appeals to the prurient interest, as defined in § 39-17-901, is not appropriate for the age or maturity level of a student in any of the grades kindergarten through twelve (K-12) and must not be maintained in a school's library collection.

(c) Each school operated by an LEA and each public charter school shall maintain a current list of the materials in the school's library collection. The list must be posted on the school's website.

(d) Each local board of education and public charter school governing body shall adopt a policy for developing and reviewing school library collections. The policy must include:

(1) A procedure for the development of a library collection at each school that is appropriate for the age and maturity level of the students who may access the materials, and that is suitable for, and consistent with, the educational mission of the school;

(2) A procedure for the local board of education or public charter school governing body to receive and evaluate feedback from a student, a student's parent or guardian, or a school employee regarding one (1) or more of the materials in the library collection of the student's or employee's school; and

(3) A procedure to periodically review the library collection at each school to ensure that the school's library collection contains materials appropriate for the age and maturity level of the students who may access the materials, and that are suitable for, and consistent with, the educational mission of the school.

(e) If a local board of education or public charter school governing body receives feedback according to the procedure established pursuant to subdivision (d)(2), then the local board of education or public charter school governing body shall evaluate and determine, within sixty (60) days from the date on which the feedback was received, whether the material is appropriate for the age and maturity level of the students who may access the materials, and whether the material is suitable for, and consistent with, the educational mission of the school. If a local board of education or public charter school governing body does not make a determination within sixty (60) days from the date on which the feedback was received, then the student, student's parent or guardian, or school employee who submitted feedback on the material may request the state textbook and instructional materials quality commission to evaluate the material, pursuant to § 49-6-2201(m)(1)(D).

(f) If the local board of education or public charter school governing body determines that material contained in the school's library collection is not appropriate for the age and maturity level of the students who may access the materials, or is not suitable for, and consistent with, the educational mission of the school, then the material must be removed from the library collection.

(g) The procedures adopted pursuant to this section are not the exclusive means to remove material from a school's library collection, and do not preclude an LEA, a school operated by an LEA, a public charter school, or the governing body of a public charter school from developing or implementing other policies, practices, or procedures for the removal of materials from a library collection.

(h) A local board of education's or public charter school governing body's determination made on whether a material is appropriate for the age and maturity level of the students who may access the material, and whether the material is suitable for, and consistent with, the educational mission of the school, does not establish a contemporary community standard for purposes of title 39, chapter 17, part 9.

(D) Evaluate and determine whether a material in a school's library collection is appropriate for the age and maturity level of the students who may access the materials, and whether the material is suitable for, and consistent with, the educational mission of the school if the local board of education or public charter school governing body does not make a determination on a material for which it received feedback within sixty (60) days from the date on which the feedback was received, pursuant to § 49-6-3803(e), and the student,

Each LEA and public charter school shall include, or remove, the challenged material in, or from, the library collection for each of the LEA's schools, or for the public charter school, as applicable, for the grade levels for which the commission has found the challenged material to be appropriate or inappropriate for students.

Senate Amendment No. 1

AMEND House Bill No. 1002 by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Section 40-30-114, is amended by adding the following as a new subsection:

(c)

(1) In cases where a defendant has been sentenced to death and is seeking collateral review of a conviction or sentence, the attorney general and reporter has exclusive control over the state's defense of the request for collateral review and has all of the authority and discretion that the district attorney general would have in non-capital cases as well as any additional authority provided by law. The attorney general and reporter is not bound by any stipulations, concessions, or other agreements made by the district attorney general related to a request for collateral review.

(2) The trial court lacks jurisdiction to enter a final order granting relief on a request for collateral review outlined in subdivision (c)(1) until the attorney general and reporter files a response to the request.

(3) It is the duty and function of the district attorney general, and the district attorney general's staff, to lend whatever assistance may be necessary to the attorney general and reporter in the trial and disposition of requests for collateral review outlined in subdivision (c)(1), including, but not limited to, providing the attorney general and reporter with the district attorney general's case file and any other case-related material.

(4) As used in this subsection (c), "collateral review":

(A) Means any proceeding under this chapter, including a petition requesting analysis of evidence, a proceeding under § 39-13-203(g), a proceeding under § 40-26-105, a proceeding involving a challenge to a capital inmate's competency to be executed, and any other judicial reexamination of a judgment or claim in a proceeding outside of the direct review process; and

(B) When a defendant has been sentenced to death after March 1, 2023, does not mean the trial of an original petition for post-conviction relief as authorized by § 40-30-104. All other proceedings involving a defendant who has been sentenced to death after March 1, 2023, including reopened post-conviction proceedings granted under § 40-30-117 must be conducted in conformity with subdivision (c)(1).

SECTION 2. Tennessee Code Annotated, Section 40-30-114, is amended by deleting subsection (a) and substituting:

(a) The district attorney general or the attorney general and reporter must be reimbursed for any expenses, including travel, incurred in connection with the preparation and trial of any proceeding under this part. This expense must be paid by the state and is not included in the expense allowance now received by the various district attorneys general or the attorney general and reporter.

**MONDAY, APRIL 17, 2023 – TWENTY-FOURTH LEGISLATIVE DAY UNOFFICIAL
VERSION**

SECTION 3. Tennessee Code Annotated, Section 40-30-108, is amended by deleting subsection (a) and substituting:

(a) The district attorney general shall represent the state except as provided in § 40-30-114(c). The state shall file an answer or other responsive pleading within thirty (30) days, unless extended for good cause. Good cause will not be met by a routine statement that the press of other business prevents a response within the thirty-day period. Failure by the state to timely respond does not entitle the petitioner to relief under the Post-Conviction Procedure Act.

SECTION 4. Tennessee Code Annotated, Section 39-13-203, is amended by deleting subdivision (g)(1) and substituting:

(g)

(1) A defendant who has been sentenced to the death penalty prior to the effective date of this act and whose conviction is final on direct review may petition the trial court for a determination of whether the defendant is intellectually disabled. The motion must set forth a colorable claim that the defendant is ineligible for the death penalty due to intellectual disability. A defendant filing a motion under this subsection shall serve the attorney general and reporter, who will represent the state. Either party may appeal the trial court's decision in accordance with Rule 3 of the Tennessee Rules of Appellate Procedure.

SECTION 5. Tennessee Code Annotated, Section 40-26-105, is amended by deleting subsection (a) and substituting:

(a) There is made available to convicted defendants in criminal cases a proceeding in the nature of a writ of error coram nobis, to be governed by the same rules and procedures applicable to the writ of error coram nobis in civil cases, except insofar as inconsistent herewith. Notice of the suing out of the writ shall be served on the district attorney general except in cases where a defendant has been sentenced to death, where notice shall be served on the attorney general and reporter. A judge does not have authority to order the writ to operate as a supersedeas. The court has authority to order the person having custody of the petitioner to produce the petitioner in court for the hearing of the proceeding.

SECTION 6. This act takes effect upon becoming a law, the public welfare requiring it, and applies to all currently pending, reopened, and future requests for collateral review.
